	2N2369A	Through-Hole Transistor-Small Signal (<=1A) NPN Saturated Switch	Box	TO-18	Active	Please call Click to view availability	View	<input type="text" value="Quantity"/> <input checked="" type="radio"/> Either <input type="radio"/> PBFREE <input type="radio"/> TIN/LEAD

Displaying 1 through 3 of 3 results found.

Please note:

1. If requesting Tin/Lead plated devices, add the suffix " TIN/LEAD" to the part number when ordering (example: 2N2222A TIN/LEAD).
2. If requesting Lead (Pb) Free plated devices, add the suffix " PBFREE" to the part number when ordering (example: 2N2222A PBFREE).

A Central sales representative will confirm the availability of the plating type requested.

[To place a request for samples or literature](#), search for and locate the part, and submit a request with the quantity you require. You may continue adding parts and literature to your request until it is submitted.
